

Albany School of Humanities
Welcome to 1st Grade!

Soon we will begin a great new school year! We are so excited to learn that you will be in our first grade class this year. We have all had a terrific summer and we want to hear all about your summer, too. We will learn many things this year and make many special friends. We can hardly wait to meet you on the first day of school!
See you soon!

Parents, to help communicate with you this year your child will bring home a communication sheet daily. This is a tool that will give you an idea of how your child is doing as well as prepare your child for the expectations of first grade. Please review/discuss this sheet with your child then sign it and place in your child's home folder each day. Thanks for your support and cooperation in advance. Together we will ensure the future academic success of your child.

Thank you so much! We look forward to meeting you and your families on the first day of school.
Have a safe and enjoyable summer!
Sincerely,

The First Grade team
Ms. Mantas, Mrs. Ferrari and TBD
